Like a Parasite

Screeching Weasel

(Weasel/King)
Like a parasite I wanna crawl all over you like a parasite think of all the cool things we could do like a parasite I wanna crawl all over you like a parasite I wanna lick you head to toe like a parasite come now it's only me and you like a parasite I wanna crawl all over you I can tell by the way you are looking at me we'll be together tonight like a parasite like a leech like a parasite I wanna be your Siamese twin like a parasite I'll worm inside you underneath your skin like a parasite I wanna crawl on you again like a parasite I wanna lick you head to toe like a parasite let's hang out it's only me and you like a parasite I wanna crawl all over you like a germ or a virus we can stay up sweating and rolling all night like a parasite like a leech
