

Why Am I the One

fun.

I've got enough on my mind
That when she pulls me by the hair
She hasn't much to hold onto She's keeping count on her hands
One, two, three days that I've been sleeping on my side I've been kissing my death
So now I head back up the steps
Thinking about where I've been I mean, the song was never like this
I wanna feel with the seasons
I guess it makes sense because my life's become as vapid as
A night out in Los Angeles
And I just wanna stay in bed And hold you like I used to
You know that I am home
So darling if you love me
Would you let me know? Or go on, go on, go on
If you were thinking that the worst is yet to come
Why am I the one
Always packing all my stuff For once, for once, for once
I've got the feeling that I'm right where I belong
Why am I the one
Always packing all my stuff? She got enough on her mind
That she feels no sorrow
I let my fate fill the air
So now she's rolling down the window
Never been one to hold on
But I need a last breath
So I ask if she remembers when
She used to come and visit man
We were fools to think that nothing would go wrong Well - go on, go on, go on
If you were thinking that the worst is yet to come
Why am I the one
Always packing all my stuff For once, for once, for once
I've got the feeling that I'm right where I belong
Why am I the one
Always packing all my stuff? I think I kinda like it but I might have had too much
And I'll move back down To this western town
When they find me out
Make no mistake about it
I'll move back down
To this western town
When they find me out

Make no mistake about it
(I'll move back)Well - go on, go on, go on
If you were thinking that the worst is yet to come
Why am I the one
Always packing all my stuffWell - go on, go on, go on
If you were thinking that the worst is yet to come
Why am I the one
Always packing all my stuffFor once, for once, for once
I've got the feeling that I'm right where I belong
Why am I the one
Always packing all my stuff?I think I kinda like it but I might have had too much
And I'll move back down
