25 To Life

Eminem

Hook 2x)
Too late for the other side
Caught in a chase
25 to life

Yeah, I can't keep chasing you
Taking my life back

Caught in a chase
25 to life

(Verse 1)

I dont think she understands the sacrifices that I've made
Maybe if this bitch had acted right, I would of stayed
But I've already wasted over half of my life, I wouldve laid
Down and died for you, I no longer cry for you
No more pain bitch you
Took me for granted took my heart and ran it straight into the planet
Into the dirt, I can no longer stand it
Now my respect, I demand it
Imma take control of this relationship
Command it, and imma be the boss of you now goddamnit
And what I mean is that I will no longer let you control me
So you better hear me out this much you owe me
I gave up my life for you, totally devoted to you while I've stayed
Paved for all the way, this is how I fucking get repaid
Look at how I dress fucking baggy sweats, go to work a mess
Always in a rush to get back to you, I aint heard you yet
Not even once say you appreciate me, I deserve respect
I've done my best to give you nothing less than perfectness
And I know that if I end this, I'll no longer have nothing left
But you keep treating me like a staircase, its time to fucking step
And I wont be coming back, so dont hold your fucking breath
You know what you've done no need to go in depth
I told you, you'd be sorry if I fucking left
I'd laugh while you wept
Hows it feel now, yeah, funny ain't it, you neglected me
Did me a favor though my spirit free you've set
But a special place for you in my heart I have kept

It's unfortunate but it's

(Hook)
Too late for the other side
(Yeah)
Caught in a chase
25 to life
(Can't take no more)

Too late for the other side
Caught in a chase
25 to life.

(Verse 2)

I feel like when I bend over backwards for you, all you do is laugh
Cause that ain't good enough, you expect me to fold myself in half
Til' I snap, don't think I'm loyal?, all I do is rap
How can I moonlight on the side
I have no life outside of that
Dont I give you enough of my time
You dont think so do you?
Jealous when I spend time with the girls
Why I'm married to you still man I don't know
But tonight I'm serving you with papers, I'm divoricing you
Go marry someone else and make 'em famous
And take away their freedom like you did to me
Treat 'em like you dont need them, and they aint worthy of you
Feed 'em the same shit you made me eat
Im moving on forget you oh, now im special?
I ain't felt special when I was with you
All I ever felt was this helplessness
Imprisoned by a selfish bitch
Chew me up and spit me out
I fell for this so many times, it's ridiculus
And still I stick with this
Im sick of this, but in my my sickness and addiction
Your addictive as they get
Evil as they come, vindictive as they make 'em
My friends keep asking why I cant just walk away from
Im addicted, to the pain, the stress, the drama
Im torn in, so I guess imma mess, cursed and blessed
But this time i ain't changing my mind
Im climbing out this abyss
You screaming as I walk out that i'll be missed

But when you spoke of people who meant the most to you
You left me off your list, fuck you hip-hop
Im leaving you, my life sentence is served bitch
And it's just

(Hook)
Too late for the other side
Caught in a chase
25 to life

(I'm gone man)

Too late for the other side
Caught in a chase
25 to life

Too late
Caught in a chase
25 to life
