What's On Your Mind

Slapshot

Advisory - the following lyrics contain explicit language:

I got no illusions
I make no excuses
I mean what I say
When I say it
Now can you connect
When you're so damn correct?
Why are you wasting time
Why don't you say what's on you mindWhat's on you mind
What's on you mind
What's on you mind
What's on you mindMind your manners, don't make waves
Don't want to hear what I say
Sure, I've got regret
That I can't forget
I'm just a human being
Not some straight-edge machine
You're to scared to speak
Or just to weakWhat's on you mind
What's on you mind
What's on you mind
What's on you mindWasted - fucked up
Beat down - shut up
Screaming - Inside
Speak up - Time's out
