

You Can't Bring Me Down

Suicidal Tendencies

What the hell's going on around here? First off, let's take it from the start
Straight out, can't change what's in my heart
No one, can tear my beliefs apart
You can't bring me You ain't, never seen no one like me
Prevail, regardless what the cost might be
Power flows inside of me
You can't bring me Never, fall as long as I try
Refuse, to be a part of your lie
Even, if it means I die
You can't bring me You can't bring me down Who the hell you calling crazy?
You wouldn't know what crazy was
If Charles Manson was eating fruit loops
On your front porch Time out, let's get something clear
I speak, more truth than you want to hear
Scapegoat, to cover up your fear
You can't bring me You ain't, never seen so much might
Fight for, what I know is right
What up, you got yourself a fight
You can't bring me Stand up, we'll all sing along
Together, ain't nothin' as strong
Won't quit, we ain't in the wrong
You can't bring me You can't bring me down Bring me down, you can't bring me down
Bring me down, you can't bring me down, no
Bring me down, you can't bring me down
Bring me down, you can't bring me down
You can't bring me down Tell them what's up Rocky You can't bring me down Bring me down, you can't bring
me down
Bring me down, you can't bring me down, no
Bring me down, you can't bring me down
Bring me down, you can't bring me down
You can't bring me down So why you trying to bring me?
Well, you can't bring me down, no, no, no, no
Can't bring me down, no, no, no, no, no, no
Can't bring me down, no, no, no, no, no, no
Can't bring me down, no, no, no, no, no, no
So why you trying to bring?
When you can't bring me down Just 'cause you don't understand what's going on
Don't mean it don't make no sense
And just 'cause you don't like it

Don't mean it ain't no good and let me tell you something
Before you go taking a walk in my world
You better take a look at the real world
'Cause this ain't no
Mister Roger's Neighborhood
Can you say, "Feel like shit?"
Yea maybe sometimes I do feel like shit
I ain't happy 'bout it, but I'd rather feel like
Shit than be full of shit
And if I offended you, oh I'm sorry
But maybe you need to be offended
But here's my apology
And one more thing, fuck you
'Cause you can't bring me down
Bring me down, you can't bring me down
Bring me down, you can't bring me down
Bring me down, you can't bring me down
Bring me down, you can't bring me down
Bring me down, you can't bring me down
Bring me down, you can't bring me down
You can't bring me down
Can't bring me down
Can't bring me down
Suicidal
