

# Lover's Touch

## Tom Petty & The Heartbreakers

Oh, my Lord  
Give me chills and fever  
Send a signal  
To my receiverHard livin'  
Killing me  
I need that woman  
Set me freeAnd I want her  
Want so much  
'Cause she got the lover's touch  
Yes, she doesFeel sold out  
Water gettin' higher  
Livin' on the shoreline  
Starin' at the fireAnd I want her  
I want her so much  
'Cause she got the lover's touch  
Yes, she doesI hear her voice  
When I'm alone  
Give me comfort  
So soft and lowAnd I want her  
Want her so much  
'Cause she got the lover's touch  
Yeah, she does nowI want her so much  
Yeah  
'Cause she got the lover's touch  
Yeah, she got  
She got the lover's touch
