

# Don't Let Your Baby Catch You

## Jackson 5

Don't let your baby catch you  
Don't let your baby catch you  
Don't let your baby catch you fooling around  
You just might lose the best thing you ever found  
Don't let your baby catch you fooling around Oh, the nights are long and twice as cold  
Without my baby hands to hold  
My happiness is fading away  
(Is fading and fading) Just like a thief I tried to steal a kiss  
From another pretty miss  
My baby was the price that I paid Now listen fellas  
(Think twice)  
Think twice if you have cheating on your mind  
(Watch your step)  
Remember the punishment will fit the crime (Don't)  
Don't let your baby catch you  
(Don't)  
Don't let your baby catch you  
(I said don't)  
Don't let your baby catch you fooling around  
You just might lose the best thing you ever found  
Don't let your baby catch you fooling around Oh, I hope it's not too late for me  
To right my wrong and foolish deed  
I'm gonna crawl back all the way on my knees And if that don't do I'll get the moon  
And set it down in front of her  
Oh, before I even say please If I get one more chance my life will be as good as new  
And I would not forget the days  
The sun will not shine through Don't let your baby catch you  
Don't let your baby catch you  
Don't let your baby catch you fooling around  
Hey, hey, oh, no  
Take me back, take me back, take me back, baby Don't let her, your baby catch you  
You might lose the best thing you ever found  
Tell 'em about it Mike If you're crazy about your baby  
And she's crazy about you  
Just think of what you'll do to her  
If she was untrue Don't let your baby catch you  
(Don't)  
Don't let your baby catch you  
(I said don't)

Don't let your baby catch you, hey, huh, alright  
Don't let your baby catch you fooling around  
You just might lose the best thing you ever found  
Don't let your baby catch you fooling around, hey, heyDon't let her  
Don't let her  
Don't let her, no, no, no  
Don't let your baby catch you fooling around  
You just might lose the best thing you ever found  
Don't let your baby catch you fooling around
