Pillars of Mercy

Absu

[Cairn Warrior's Atrocious Assertion to War:]
I (still) admire the flow of echoing horns.
Mimicking blows so boldly, I hear...
I stand visibly, high, on this splendid bastion,
To remember a High King, a tyrant of no fearI am the first son: a commander without a father,
"Fortuitous doom," the last of his predictions.
I'll take advantage by igniting the balusters...
Preparing enraged flames with sweltering speed.[Chorus I - Cairn Warrior and Art Aenfer's War Exclamation (High King of Tara):]
(THESE ARE THE) PILLARS OF MERCY!
Today, I am callous...
Tomorrow, I am king -
Immortal, strong, exultant, and conquering![Chorus II:]
PILLARS OF MERCY!
My song and my word are iniquitous -
Gathering assemblies in days gone by![Chorus III:]
(FIRE BURNS WITH THE) PILLARS OF MERCY!
My chariot races through saw-toothed hills,
And hurls through every valley and mere![Chorus IV:]
PILLARS OF MERCY!
Watchtowers collapse before the lift of the twilight,
I am swift in battle-
My voice is heard!
PILLARS OF MERCY!Frost, fire, and wind are pelting all the columns...
There is no dilution for them to fight again!
Only three chariots are seen on the charred plains -
Through all the throngs and clusters, lambs and stallions!"If you should speak to me now,
Then I will chamber Tara's pinnacle.
Why my father? Another damning scuffle?
I (still) admire the sound of echoing horns!"[Chorus V - Cairn Warrior and Art Aenfer's War Exclamation (High King of Tara):]
(THOSE WERE THE) PILLARS OF MERCY!
Frenzied vultures gnawed the necks of dead men,
As the sturdy, gilded columns had seethed![Chorus VI:]
PILLARS OF MERCY!
Enemies' blood spurted like volley sprigs-
The blustery fight was planned, then fought![Chorus VII:]
(FLAMES FLAYED ON THE) PILLARS OF MERCY!
Their vapid minds were troubled and sides were pierced-

And warlike deeds had been fulfilled![Chorus VIII:]
PILLARS OF MERCY!
We saluted chieftains on the regal Tara -
We hailed the tyrants that governed our waters!
PILLARS OF MERCY!
STRIKE![Terminus:]
There shall be no lack of dignity,
For those who oppose them.[Repeat Terminus]"THERE WILL BE PILLARS OF MERCY!"
