Love You (Take 3)

Syd Barrett

Honey love you, honey little,
Honey funny sunny morning
Love you more funny love in the skyline baby
Ice-cream 'scuse me,
I've seen you looking good the other evening

Oh, you dig it, had to smile just an hour or so
(are) we in love like I think we be?
It Ain't a long rhyme.
It took ages to think
I think I'll hurl it in the water, baby

Honey love you, honey little,
Honey funny sunny morning
Love you more funny love in the skyline baby
Ice-cream 'scuse me,
I've seen you looking good the other evening

Flaking you are a nice little one
To put it all around, its just good
I like it, hey hey hey
S'pose some time that day?
Whoopie! Swing it along over across to me

Honey love you, honey little,
Honey funny sunny morning
Love you more funny love in the skyline baby
Ice-cream 'scuse me,
I've seen you looking good the other evening

Goodtime rocker woman we'll stray our pieces
Little creepy we shine so sleepy,
So whoopee!
That's how you look

Honey love you, honey little,
Honey funny sunny morning
Love you more funny love in the skyline baby
Ice-cream 'scuse me,
I've seen you looking good the other evening
