Declaration

Wild Orchid

If I told you once
I've told you a thousand times
But you never listen to me
I just wanna be free to live
To live my life, I don't want your thoughts
Or your opinions about me
You think you tell me what I wanna know
But I only listen to what I need to hear
So much drama I don't understand
How you make nothing sound so sincere
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be, baby
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be, baby
You're always trying to tell me
Where I can go or who it is
That I can socialize with, baby
But as long as I don't hurt no one
Or break no laws, you're best to know
I won't put up with it
You think you tell me what I wanna know
But I only listen to what I need to hear
So much drama I don't understand

How you make nothing sound so sincere
You think you tell me what I wanna know
But I only listen to what I need to hear
So much drama I don't understand
How you make nothing sound so sincere
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be, baby
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be, baby
I'm gonna do what I wanna do
Say what I wanna say

Be who I wanna be, baby
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be, baby
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be, baby
I'm gonna do what I wanna do
Say what I wanna say
Be who I wanna be, baby
