

Neverland (Live at the Castle)

VanLadyLove

You should just climb up to my window
There's no one around we'd be alone
You should take a chance with something greater
greater than you have ever known.It's more than a dream
I need you to see
A place where no one seems to sleep
You know it's more than a dream
I need you to seeFly away to Neverland, maybe we'll never land
So just take my shaking hand
Fly away to Neverland, baby we'll never land
So just take my hand.Think that you should climb into my window
You can come join me in my dreams
Stay with me tonight until the sunrise
hope that we never wake up again.It's more than a dream
I need you to see
a place where no one seems to sleep
You know it's more than a dream
Between you and meFly away to Neverland, maybe we'll never land
So just take my shaking hand
Fly away to Neverland, baby we'll never land
So just take my handIf you want to fly think of happy thoughts
If you want to fly think of happy thoughtsFly away to Neverland, maybe we'll never land
So just take my shaking hand
Fly away to Neverland, baby we'll never land
So just take my handFly away to Neverland, maybe we'll never land
So just take my shaking hand
Fly away to Neverland, baby we'll never land
So just take my hand
