Two Hearts (feat. Teddy Pendergrass)

Stephanie Mills

Came into my life a stranger
You captured my heart
Now I've got to face the danger I'm ready to start
Thought that I could make it on my own
All alone I tried to hard to fake it
Now the truth must be known
Two hearts are always better
Together forever
Two hearts are always better
True romance we'll treasure
You've given me so much of yourself
Till I don't need nobody else
And with each passing day
My love for grown strong in ever way
You are my life ooo
Never thought that love could touch me
Move me this way
Don't you ever leave me, baby
Promise you'll stay I'm so glad I got you, girl
Turnin' my world all around
We won't let nobody change
This love that we, we found
Two hearts are always better
Together forever
Two hearts are always better
True romance we'll treasure
You given me so much of yourself
Till I don't need nobody else
And with each passing day
My love for grows strong in every way
You are my life
Two hearts are always better (Always, always)
Two hearts (Two) are always better [Me and you, yeah]
(Just me and you) [Me and you] (Tell them two)
Two hearts [Two hearts] are always better [Always better]
(Don't you know, you got to know) [Baby, me and you]
(Talkin' 'bout two) Two hearts
[One and one makes two, heh] are always better
[Me and you, yeah] (Oh, oh, yeah)

Two hearts are always better (Oh, oh, oh, oh, oh, yeah)
Two hearts (Yeah, two) are always better
(Don't you know, two, yeah two)
Two hearts are always better
Two hearts are always better [Don't you know, talkin' bout me and you]
Two hearts [That makes two] are always better
[Always] (Yeah) [Always better, girl]
(Two) Two hearts (Two hearts) are always better
[Tried so hard to make it, girl]
