Running Out (Fenech-Soler Remix)

Andy Bell

Show no emotion, inside Im chocking
I cant decide if I need you
The way that you hold me, try to control me
no good for my soul, no good for you
Im only trying, hard to be truthful
youd never hurt me, that I know
Maybe I just dont know how to love you
Maybe Im scared of letting goAnd I think Im running out, I worry about everything
And I think Im running out, I worry about everythingIve got to believe in something solid
stand on my own feet and keep it real
I wouldnt say that Im ever lonely
want you to feel sure in yourself
I want you to love me, but not because you need me
I never knew love could be so blindMaybe I just dont know how to love you
Maybe Im scared of letting goAnd I think Im running out, I worry about everything
And I think Im running out, I worry about everythingAnd I think Im running out, I worry about everything
And I think Im running out, I worry about everything
