

Last Night Ever (feat. LNY TNZ)

Yellow Claw

We don't give a fuck about tomorrow
We don't really care about the day after
All we care is about tonight
Tonight is the last ever
We don't give a fuck about tomorrow
We don't really care about the day after
All we care is about tonight
Tonight is the last ever
Tonight
Ever

Tonight is the last night ever
Ever

We don't really care about the day after
