Madeline

The Happy Birthday Singers

Out my window a memory, I'm dyin' inside
I know the way it should be
Even though it was right in front of me
It's somethin', I just couldn't see, yeahYour lonely face, your lonely eyes
But this is somethin', you can't disguise
It's not just me, you feel it too
'Cause you know, I belong with youLook at where we're goin'
Tell me what can I say?
We're tracin' our footsteps
We're goin' the same wayMadeline, here we go 'round again
You know it, I know it, don't try to pretend
You know it could be so much better than it's been
Ohh, here we go 'round againI was empty inside but I just didn't know
Ten thousand roses and I let you go
Before I make the same mistake
Hold me in your armsWe belong you know it in your heart
Look where we're goin', no doubt in my mind
Can't you see, it's meant to be
Oh, oh, oh, myMadeline, here we go 'round again
You know it, I know it, don't try to pretend
You know it could be so much better than it's been
Ohh, here we go 'round againHere we go, here we go, here we go 'round again
Here we go 'round again
Here we go, here we go, here we go 'round again
Said, "Here we go"
Here we go 'round again
Here we go, here we go, here we go 'round againLook at where we're goin'
Tell me what can I say?
We're tracin' our footsteps
We're goin' the same way
Oh myMadeline, here we go 'round again
You know it, I know it, don't try to pretend
You know it could be so much better than it's been
Ohh, here we go 'round againMadeline, here we go 'round again
Madeline, here we go, here we go 'round again
Madeline, here we go, here we go 'round again
Oh, my Madeline
Oh, here we go
