

Love Like Rain

The Horn Family

Love like rain

What could he want, with someone like me ? Empty and broken down on my knees. But thru my sorrow , guilt,
and shame. I heard his voice callin my name .

(Chorus)

Love like rain, came down on me , washin my sin , into the sea . And now Iâ€™m free , thank God Iâ€™m free . His lo
like rain , came down on me.

(2nd verse)

I tasted life, from prides bitter cup, I drank my fill, till it all dried up. and just when I thought ,Iâ€™d die of thirst, his
living water healed my hurt.

(Repeat chorus two times)
