Lol smiley face, lol smiley faceShorty just text me, says she want to sex me
Lol smiley face, lol smiley face
Shorty sent a twitpic, saying come and get this
Lol smiley face, lol smiley faceShorty called my phone, I was busy, I was busy
Cruisin' in that Benz 'round the city, 'round the city
Then I felt my phone buzz, I know that she like thugs
I'm a bad boy like Diddy, take that
Then she sent the text that read, baby, I'm at home
Then she sent another one that says she's all alone
So I text her a smiley face and said let's do the grown
She said, lol, boy you crazy, come onThen she said, actually, you ain't gotta ask me
Sent that lil' face with the tongue 'cause I'm nasty
I'm on my way, girl, I can't wait, twitter me a picture
Let me see that okayShorty just text me, says she want to sex me
Lol smiley face, lol smiley face

Pics on my iPhone, Gucci on her iPod
When she turn around, *** make you say, oh GodMommy, real beautiful, manicured cuticles

And she got my number, tell her man that's like a miracle
Said she like my swag pull up 6's on my vehicleGA to VA, Cali girl love me, Brooklyn girls hug me
Miami girls sexy, pull up in the stretchy
Jean Paul flexing, first date sexing
