

Word Of Mouf Freestyle (feat. 4-Ize)

Ludacris

Yea-uh, here we go here we go here we go
Talk about that Word of Mouf baby
Yeuh, yeuh yeuh yeuh yeuh! Here we go, here we go
Ludacris, 4-Ize, D.E. what you want now now now now Check it
You see I live a life filled with chicken and malt liquor
And women that are real life scratch'n'sniff stickers
I shoot videos and get knobs slobbered in trailers
Then hit stage and break a leg like Lawrence Taylor
You pricks is all talk, and it's bad for your health
See I ain't gotta say shit, money speaks for itself
With all models I make I'm great like five lakes
You got rims on ya truck? Man I got rims in my skates
You rolling on dubs, I roll right into clubs
Dirty as home with more rings than ya tub
You think it's all practical jokes and big bloopers
But I smack bitches with no titties that work at Hooters
Just get a couple of girls that shaking they thangs
Then I put 'em on camera and cut two frames
With some gasoline drawers I'll be going to Hell
Ludacris, fuck like a nigga fresh out of jail
I got Junkyard Dogs, I'm rowdier than Rod Piper
And my baby's assed out, 'cause I rub my cars with her diapers
So you can pray for now if you sinned in the past
"Word of Mouf" time to wipe that silly grin off yo' ass These rap cats is soft like R&B singers
It's 4-Ize, I've worked for wings and chicken fingers
I reps mo' parts so Chi-Town could get seen
I'm a Dirty Bird now but I keep shit clean
I rip meanface niggas one by one
Or two by two, I'll take 'em however they come
Instead of a gun, I'll pull out a stick from woodworking
The black Hacksaw Jim Duggin stay lurking
Creepin, I'm in the shadows, the nightshade
You want the tail in the back or, a light fade?
Cause Tony Scissorhands is the barber, the butcher
I kill ya smoke a blunt and forget where I put ya
I'm Soopafly like Snuka, I smack hoes
The black rolls with the dozen attack flows
I rock Shaq's clothes when I Alter Beast

Power up, get big, it's Disturbin' Tha Peace
