

# Die Of A Broken Heart

[Carolyn Dawn Johnson](#)

I keep having these disturbing dreams  
My final days, the end of me  
For some odd reason I get one last wish  
And every time I wish for this Take me fast or take me slow  
I don't really care how I go  
In the daylight or in the dark  
Just don't let me die of a broken heart The kind of pain that you just can't take  
Will send a strong man to his grave  
There's not a pill that can give you rest  
Or fill that hole deep in your chest So take me fast or take me slow  
I don't really care how I go  
In the daylight or in the dark  
Just don't let me die of a broken heart, no I've been crushed by that hurt before  
There's no way I could take any more  
If I fell in love and I found out it would happen again  
I'd say take me now And take me fast or take me slow  
I don't really care how I go  
In the daylight or in the dark  
Just don't let me die of a broken heart Take me fast or take me slow  
I don't really care how I go  
In the daylight or in the dark  
Just don't let me die of a broken heart  
No, don't let me die of a broken heart, no
