

Desdemona's Building A Rocket Ship

Jimmy Buffett

Desdemona's building a rocket ship, Desdemona's going away
Desdemona's building a rocket ship, blasting off today
She's got a passion for cookies, a crew full of rookies
It's gonna be a helluva blow
Desdemona's building a rocket ship , and I've got to goA woman on a mission, quite familiar with quasars
Her heart is in the kitchen but her soul is in the stars
Crystal clear on logic but short on expertise
This is a very ancient puzzle, she feels herself a pieceDesdemona's building a rocket ship, Desdemona's going
away
Desdemona's building a rocket ship, blasting off today
She's got a passion for cookies, a crew full of rookies
It's gonna be a helluva blow
Desdemona's building a rocket ship
Guess I've got to goShe was down in Puerto Rico, doin' a scientist
True, he was no geek though she was taken with his kiss
It was under a giant telescope where she heard the calling voice
It came screaming through the light years, she never had a choicePleiades callin' her home
Seven Sisters, she hears her distant Sisters
Pleiades callin' me home
Seven Sisters, she hears her Seven SistersPleiades callin' her home
Seven Sisters, she hears her distant Sisters
Pleiades callin' me home
Seven Sisters, she hears her Seven SistersA woman on a mission, quite familiar with quasars
Her heart is in the kitchen but her soul is in the stars
Her engines fuel with logic and navigation expertise
It's very distant puzzle, she's gonna get her pieceDesdemona's building a rocket ship, Desdemona's going away
Desdemona's building a rocket ship, blasting off today
She's got a passion for cookies, a crew full of rookies
It's gonna be a helluva blow
Desdemona's building a rocket ship , I've just got to goSeven Sisters
Seven Sisters, she hears her distant Sisters
Seven Sisters, she hears her Seven SistersPleiades callin' her home
Seven Sisters, she hears her distant Sisters
Pleiades callin' me home
Seven Sisters, she hears her Seven Sisters
Pleiades callin' her home
Seven Sisters, she hears her distant Sisters
Pleiades callin' me home
