# illuminata (d lissvik remix)

## Ceo

I let go a year or ten ago
it's all a twilight zoon
I don't where I will go
the future's not my homedone lying bout flying free
falling on the wings of honesty
highway to reality
rising on the wings of honestymanic scheming, heavy dreaming
took me for a ride
no need for shame no need for pride
I got it all insideanxious dances, wasted chances
smacked from side to side
no need to run, no need to hide
I'll wait for you inside
