

# One Step at a Time

Jordin Sparks

Hurry up and wait  
So close, but so far away  
Everything that you've always dreamed of  
Close enough for you can taste  
But you just can't touch You wanna show the world, but no one knows your name yet  
You wonder when and where and how you're gonna make it  
You know you can if you get the chance  
In your face as the door keeps slamming  
Now you're feeling more and more frustrated  
And you're getting all kind of impatient, waiting  
We live and we learn to take One step at a time  
There's no need to rush  
It's like learning to fly  
Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time You believe and you doubt  
You're confused and got it all figured out  
Everything that you've always wished for  
Could be yours, should be yours, would be yours  
If they only knew You wanna show the world, but no one knows your name yet  
You wonder when and where and how you're gonna make it  
You know you can if you get the chance  
In your face as the door keeps slamming  
Now you're feeling more and more frustrated  
And you're getting all kind of impatient, waiting We live and we learn to take One step at a time  
There's no need to rush  
It's like learning to fly  
Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time When you can't wait any longer  
But there's no end in sight (When you need to find the strength)  
It's your faith that makes you stronger  
The only we get there is one step at a time Take one step at a time  
There's no need to rush  
It's like learning to fly

Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time One step at a time  
There's no need to rush  
It's like learning to fly  
Or falling in love  
It's gonna happen and it's  
Supposed to happen that we  
Find the reasons why  
One step at a time
