

I Want Your Sex

Chris Salvatore

Come on
Oh boy, oh yeah
I, I, I want you baby Oh, so much love that you've never seen
Let's make love, put your trust in me
Don't you listen to what they told you
Because I love you, let me hold you Oh, I'm not your brother, I'm not your father
Oh, will you ever change your mind?
I'm a gentle lover with a heart of gold
Baby you not so unkind, oh Come on, I want your sex
Come on, I want your sex
That's right, all night
Oh, I want your sex
I want your sex Sexy baby's, sexy body
Keeps me guessing with a promise
Well, I know we can come together
But the question is will we ever, ever? Sexy baby's, sexy body
Keeps me guessing with a promise, oh
I know we can come together
But the question is will we ever, ever?
Together you and me I want to hold
