

# Simple Simon

Scott Aplin, Phil Barton, Zoe Trilsbach, Pat Savin

Simon found love, in love he thinks he found himself  
Only has a heart for her and her alone  
He walks down crowded streets and doesn't feel alone, oh, never alone  
Walks in space with his feet firmly on the ground  
Camp on love sign people I talk about  
Johnny knows love song people I talk about  
Simon, oh, oh, oh  
Simon, oh, oh, oh  
Camp on love sign people I talk about  
Johnny knows love song people I talk about  
Simon, oh oh oh  
Simon, oh oh oh  
Well she's just a simple girl, yeah  
Spends her time on crossword games and cigarettes, ah  
She lives all alone in a military zone where sams can't get in  
Facts and evidence, she probably give you no clues away  
No clues away  
Camp on love sign people I talk about  
Johnny knows love song people I talk about  
Simon, oh, oh, oh  
Simon, oh, oh, oh  
Camp on love sign people I talk about  
Johnny knows love song people I talk about  
Simon, oh, oh, oh  
Simon, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
Camp on love sign people I talk about  
Johnny knows love song people I talk about  
Simon, oh, oh, oh  
Simon, oh, oh, oh  
Camp on love sign people I talk about  
Johnny knows love song people I talk about  
Simon, oh, oh, oh  
Simon, oh, oh, oh  
Simon found love, in love he thinks he found himself  
Only has a heart for her and her alone  
He walks down crowded streets and doesn't feel alone, oh, never alone

Walks in space with his feet firmly on the ground
