

Love Makes You Feel

Lou Reed

Life isn't what it seems
I'm forever drifting into dreams Such a sad affair
To always be drifting into air But it's not what you say or you do
That makes me feel like I am falling
It's things that we've both been through
That makes me feel like I am upside down And love makes you feel ten foot tall
Yes, love makes you feel ten foot tall Just a funny thing
I'm forever drifting into dreams Huh, just not the proper thing
To always be drifting into dreams But it's not what you say or you do
That makes me feel like I am falling
It's things that we've both been through
That makes me feel like I am upside down And love makes you feel ten foot tall
Yes, love makes you feel ten foot tall And it sounds like this
