

7 Days

The Summer Set

Sometimes she steals my car just to start a fight
Throws my phone in the pool and smiles
That's fine we don't sleep
We make love all night
She might be trouble but she's still mine She loves me
She hates me
She's my kind of crazy Monday morning fall in love and then
Tuesday she wishes I was dead
Wednesday make-up
Thursday break up
All over and over again
Friday night she hits on all my friends
Saturday we're making-out again
Sunday I'll ask her to marry me
Seven days of her just make me weak
Seven days of her just make me weak Sometime she breaks the strings on my new guitar
Maxs all my credit cards
But it's all right
It don't make sense we made it this far
I love us just the way we are She loves me
She hates me
She's my kind of crazy Monday morning fall in love and then
Tuesday she wishes I was dead
Wednesday make-up
Thursday break up
All over and over again
Friday night she hits on all my friends
Saturday we're making-out again
Sunday I'll ask her to marry me
Seven days of her just make me weak
Seven days of her just make me weak Back and forth
Round and Round
Left to Right
Up to Down
She's my kind, my my kind
She's my kind of crazy Back and forth
Round and Round
Left to Right
Up to Down

She's my kind, my my kind
She's my kind of crazyShe loves me
She hates me
She's my kind of crazyMonday morning fall in love and then
Tuesday she wishes I was dead
Wednesday make-up
Thursday break up
All over and over again
Friday night she hits on all my friends
Saturday we're making-out again
Sunday I'll ask her to marry me
Seven days of her just make me weak
Seven days of her just make me weakSeven days of her just make me weak.
