

Stay for a While

Amy Grant

Long time since I've seen Your smile
But when I close my eyes, I remember, I remember
You were no more than a child
But then so was I, young and tender Time carries on
I guess it always will
But deep inside my heart
Time stands still Stay for a while
Well, it's good to see Your smile
And I love your company
Stay for a while
And remember the day's gone by
For a moment it can seem
Just the way it used to be Snowfalls, phone calls, broken hearts
Clear summer days, warm and lazy
Long walks, long talks after dark
We vowed we'd never forget, now it's hazy Time takes its toll
And time alters our view
It would be nice
To spend some time with you Oh, stay for awhile
Well, it's good to see Your smile
And I love your company
Stay for a while
And remember the day's gone by
For a moment it can seem
Just the way it used to be Stay, please stay
Stay, stay, stay
One, two, one, two Stay for awhile
Well, it's good to see Your smile
And I love your company
Oh, stay for a while
And remember the day's gone by
For a moment it can seem
Just the way it used to be Stay for a while
Oh, it's good to see Your smile
And I love your company
Won't you stay with me for a while
And remember the day's gone by
For a moment it can seem
Just the way it used to be The way it used to be, be

The way it used to be
Now, now, now, now, now, now
