Madeline

Yarn

Love
Is just a game
I'd rather
Not play

You
You were the queen
I was the pawn
Moving away

I'd rather be
On a west coast drive
Far from the days
I called you my?
Madeline
Sweet Madeline
I was blind

I
I didn't know
Just how hard
Love can be

And I
Fell flat on my face
All covered in dirt
A laughing disgrace

I'd rather be
On a west coast drive
Far from the days
I called you my?
Madeline
Sweet Madeline
I was blind

You were right and
I was wrong and
We held on for
Far too long

You broke my heart
And I'm standing strong but
I'm still listening to the same
Sad, sad song

Love
Is just a game
I'd rather
Not play

You
You were the queen
I was the pawn
Moving away

I'd rather be
On a west coast drive
Far from the days
I called you my?
Madeline
Sweet Madeline
I was blind

Madeline
Sweet Madeline
I was blind
