Vengeance

For the Fallen Dreams

Never kid yourself
Never were, never will be shit to me
Fucking worthlessYou are nothing
Nothing more than a common whore
You're dead inside
This is nothing
When will you learn your lesson
Mother fuckerDay to day
Waking up
I look in the mirror
For my vengeanceYou can't change this
Cause i'll will always be
Above youYou are nothing
Nothing more than a common whore
You're dead inside
This is nothing
When will you learn your lesson
Mother fucker(?)Step offYou are nothing
