

# Some Girls (Rhythm Masters Vocal Mix)

Rachel Stevens

My baby drives a car(hey)  
He calls me when he wants(hey)

I don a pair of zip-up boots  
Uh-huh-huh  
I go and shake my hair out lose  
Uh-huh-huh  
I never take my eyes of you  
Oh no no,oh no no  
No I don' think so

Some girls always get what they want to want to  
All I seem to get is the other other  
This won't last for long not for ever  
And the champagne makes it taste so much better better

Some girls always get what they want to want to  
All I seem to get is the other other  
Dreams are number one last forever  
Its the only way to make you feel better bettter

Footloose and fancy free (hey)  
Oh-oh-oh-oh  
My baby waits for me(hey)  
Oh-oh-oh-oh

He like to put his own records on  
Uh-huh-huh  
He likes to tell me the things his done  
Uh-huh-huh  
Such a strange way of having fun  
Oh no no oh no nn  
And away we go

Some girls always get what they want to want to  
All I seem to get is the other other  
This won't last for long not for ever  
And the champagne makes it taste so much better better

Some girls always get what they want to want to

All I seem to get is the other other  
Dreams are number one last forever  
It's the only way to make you feel better bettter

Hey stop you made a promise to make me a sta  
(a hat, a lift)

You made me a promise to get the top  
(a chat, a gift)

Hey stop you made a promise to make me a sta  
(a drink, a kiss)

You made me a promise to get the top  
(a hit, a miss)

Some girls always get what they want to want to  
All I seem to get is the other other  
This won't last for long not for ever  
And the champagne makes it taste so much better better

Some girls always get what they want to want to  
All I seem to get is the other other  
Dreams are number one last forever  
It's the only way to make you feel better bettter
