Rock Star (Jason Nevin's Club

N*E*R*D

Fuckin' posers
It's almost over now
It's almost over now
Yeah
Fuckin' posers
It's almost over now
It's almost over now
YeahYou think the way you live is okay
You think posin'
Will save the day
You think we don't see
That you're running
Better call your boys
'Cause I'm coming
You can't be me
I'm a Rock Star
I'm rhyming on the top of a cop car
I'm a rebel and my .44 pops farIt's almost over now
It's almost over nowI guess
You ain't heard that we swallow guys
It's too damn late to apologize
When you see the mantle or will you see the skiesIt's almost over now
It's almost over nowYou think that you don't have to ever quit
You think that you can get away with itYou think the light won't be ever litIt's almost over now
Almost over now
Something's on your chest
Better get it off
There'll be no one left when we set it off
We ain't gonna take it no more
SinceIt's almost over now
Almost over nowYou have to plenty of time
There was no rush
But it was your dream to be like us
You're in dreamland so you don't care
And as you wait
I'm standing thereYou can't be me
I'm a Rock Star
I'm rhyming on the top of a cop car
I'm a rebel and my .44 pops farIt's almost over now

It's almost over nowI guess
You ain't heard that we swallow guys
It's too damn late to apologize
When you see the mantle or will you see the skiesIt's almost over now
It's almost over nowYou think that you don't have to ever quit
You think that you can get away with itYou think the light won't be ever litIt's almost over now
Almost over nowSomething's on your chest
Better get it off
There'll be no one left when we set it off
We ain't gonna take it no more
SinceIt's almost over now
Almost over nowYou don't succeed cause you hesitate
You think we're fly
But we levitate
Just be yourself
Don't ask us why
'Cause if you don't we'll make you flyYou can't be me
I'm a Rock Star
I'm rhyming on the top of a cop car
I'm a rebel and my .44 pops farIt's almost over now
It's almost over nowI guess
You ain't heard that we swallow guys
It's too damn late to apologize
When you see the mantle or will you see the skiesIt's almost over now
It's almost over nowYou think that you don't have to ever quit
You think that you can get away with itYou think the light won't be ever litIt's almost over now
Almost over now
