

Radio Message

R Kelly

This is a radio message to my baby
And I'm begging her, come back, come back
 Come back, come back, come back
 I'm sorry that I made you cry
 I'm sorry for the rest of my life
 And I'm sorry that I hurt you
 Girl, I'm sorry for lying to you
 And I'm lost without you
 'Cause I'm all about you
 Brought you here to stay, oh man, oh me
 I'm going crazy 'cause I lost my best friend
 Can you hear me, can you forgive me?
 I don't want no tickets, no limo ride
 I'm the next caller on the line
 This is a radio message to my baby
 And I'm begging her come back
 Come back, come back, please come back
 Won't you come back?
 This is a radio message to my baby
 And I'm begging her come back
 Come back, come back, come back, come back
 And I'm sorry for treating you that way
 I'm sorry for all of the silly mistakes
 Sorry I didn't do what I promised
 And I'm sorry you're sorry that we ever met
 And I'm lost without you
 'Cause I'm all about you
 Brought you here to stay, oh man, oh me
 I'm going crazy 'cause I lost my best friend
 Can you hear me, can you forgive me?
 'Cause I don't want no tickets, no limo ride
 I'm the next caller on the line
 And this is a radio message to my baby
 And I'm begging her come back
 Come back, come back, come back, come back
 Somebody let this record just rotate
 'Til my baby come back let it rotate
 'Cause I need, I need her right back with me
 So let it rotate

Whatever it takes to play this record
I need her to hear this record
So please let it rotate
'Cause I'm the next caller on the line
This is a radio message to my baby
And I'm begging her come back
Come back, come back, come back, come back
This is a radio message to my baby
I'm begging her come back
Come back, come back, baby
I need you to come back
I need you to come back
I need you to come back
Need you to come back
Baby, come back, oh yeah
Please
