

# Lucky Number

## Rialto

[Chorus]

You dial the lucky number when you're feeling uptight,  
When you're bored on a Sunday, and every Friday night  
You dial the lucky number 'cause life is such a fight  
They're gonna bring it over and make it all seem alright

You've got a lucky number,  
For every time you need something to numb ya

You get that nagging hunger,  
That's when you dial your lucky number[Chorus]You dial the lucky number,  
You want that basement kiss

When you were two years younger,  
You wouldn't have dreamt of this  
You're getting pins and needles,  
They've got you on the boil

All wrapped up in the glamor of aluminum foil[Chorus x2]Go to sleep, all your dreams are sweet,  
Keep the world at bay 'til you wake up in the morning...[Chorus x2]
