Summertime

Tyga

This that feel good music right here..
haha it feels good dont it?
summer summer summertime remember those?
summer summer summertime the best times was the
summer summer summertime i lover those
summer summer summertime
Summertime, the right time,daytime,right length, right watch like the

nice guy,fly guy wit a nice gown gucci top with the nikes high, or the Lv with the v neck T fly, so fly on the beach..beach chair loud damn shampaign from the liquir bink on my way to the cheveron got a full tank now we ride and wherever he wanna go she know i spend c notes on my peoples well done aint nothin like the pool party fun i got plenty drink give the pool party some red rum the whole bottle of patron ..banoverise baby i got more to poor catering from roscoe's
chicken and waffles together poloticing blacks and whites and asians
i love

summer summer summertime rememeber those?
summer summer summertime the best times was the
summer summer summertime i love those
summer summer summertime.....
im
