I Want It All

Deon Kipping

Deon Kipping - I want it allKey of G
I aint tryna to live half way
See all of that's been thrown away
When I found love, found trust, found the king of glory
Now love, now trust, got a different story
Trust me, I'm free, I'm a let you know
I ain't never lettin' up, I'm gettin' mo'
Even when the devil says no
I'm like homie what you lyin for
Cuz I still walk, still live, countin' many blessings
Real talk, real god, really manifesting
My dreams, my means really coming to me
And I can never get enough
And you blame me
Oh, Oh, Oh, Oh, Oh, Oh
I can't get enough
More of your spirit, even when you give it
I act like I ain't get it, Lord I want more
More of your giving, give it all to me
I'm a love them with itHow many feel like me, if it's real
We should all be singing
I Want It All (4xs)
How many feel like me, if it's real
We should all be singing
I Want It All (4xs)Heaven open your window
Feed me til I want no more
Watch me get home, my soul always craving
That bread of life, so amazing
That's why I try to give everything
When I praise, raise the bar on everything
Oh, Oh, Oh, Oh, Oh, Oh
I can't get enough
More of your spirit, even when you give it
I act like I ain't get it, Lord I want more
More of your giving, give it all to me
I'm a love them with itHow many feel like me, if it's real
We should all be singing
I Want It All (4xs)
How many feel like me, if it's real

We should all be singing
I Want It All (4xs)
