Light That Shines

Fit for Rivals

There is a cure
For the way that my heart burns
Love, so cute
That I can't put it into words
When I fall down and my heart hit rocks,
You are there to lift me up
You're my light that shines
My evangline and I love you
Yeah, I love you
Woah, how could I ever live without you by my side?
You're my light that shines!
How could I ever live without you by my side?
You're my light that shines!
How could I ever live without you?
Woah
You, hold the key
To every part of me
I will take
On all your suffereing
When I fall down and my heart hit rocks,
You are there to lift me up
You're my light that shines
My evangline and I love you
Yeah, I love you
Woah, how could I ever live without you by my side?
You're my light that shines!
How could I ever live without you by my side?
You're my light that shines!
How could I ever!
Woah-oh-oh-oh-oh-oh-oh
(How could I ever live without you)
Oh-woah-oh-oh-woah
Woah, how could I ever live without you by my side?
You're my light that shines!
How could I ever live without you by my side?
You're my light that shines,
You're my light!
How could I ever live without you by my side?
You're my light that shines

How could I ever live without you by my side?
You're my light that shines
How could I ever live without you?
