Tomorrow Is Already Here

Stereolab

Originally this set up was to serve society
Now the roles have been reversed
That want society to serve the institutionsOriginally this set up was to serve society
Now the roles have been reversed
That want society to serve the institutionsOriginally this set up was to serve society
Now the roles have been reversed
That want society to serve the institutionsOriginally, serve society, serve society
And role have been reversed
InstitutionsOriginally this set up was to serve society
Now the roles have been reversed
That want society to serve the institutionsOriginally this set up was to serve society
Now the roles have been reversed
That want society to serve the institutions
