No Stress

Generation DJ

I dont wanna work today
Maybe I just wanna stay
Just take it easy cause there is no stress.
I know its not an awful crime
Something special in my mind
Nothings gonna cause me distress.
I text my baby on her phone
Try to get her Sexy body home
Thats the way I wanna spend my day
Got to find an alibi
Cause I dont wanna waste my time
I dont wanna feel this stress.
Its not that Im lazy
I think Im just crazy
Its not that Im lazy
I think Im just crazy
Its not that Im lazy
Think Im just crazy
Its not that Im lazy
Im just crazy[instrumental]No stress[instrumental]I think Im just crazy
No need to fight against my feelings
Because the life is not depressing
No need to fight against my feelings
Because the life is not depressing[instrumental]No stress
