

Dead End Road

J.J. Cale & Eric Clapton

Well, I feel like I'm runnin'
Down that dead end road
Yes, I feel like I'm runnin'
Down that dead end road
I need someone to tell me
Which way I ought to go? Say goodbye to the mornin'
Hello evenin' time
Say goodbye to the mornin'
Down that road I'm plyin'
If I look way beyond me
I'll be gettin' way behind I can't seem to catch up
Distance keeps fallin' away
Can't seem to catch up
Distance keeps fallin' away
Makes no difference where I go
Dead end road everyday Lord, I feel like I'm runnin'
Down that dead end road
Well, I feel like I'm runnin'
Down that dead end road
I need someone to tell me
Which way I ought to go?
