Suicide Alley

Shawn Colvin

Wait for me by the banshee tree

Let me be your wailing companion

And pass 'em on by, don't look 'em in the eye

Suicide Alley is callin'And you thought you were dreaming

But you could wake up dead and you'll never ever know what's real

All this damage is runnin' loose in your head

And it really matters to meOh, no, baby don't go

Walkin' down Suicide Alley

Oh, no, baby don't go

Walkin' down Suicide AlleyDowntown baby, it's a million to one You might as well name your poison

And stand in line by the exit sign

Suicide Alley is waiting You're a loose cannonball on a sinking ship From the belly of the beast, shot from the hip

But you don't have to be going down the dark hall

You're not tied to the chair, you're not nailed to the wallOh, no, baby don't go Walkin' down Suicide Alley

Oh, no, baby don't go

Walkin' down Suicide AlleySitting naked by the window in the middle of the night I can see you wearing your halo

If only in the daybreak of the dirty street light

I know baby wasn't born to followYou know I wasn't born, I was spat out at the wall And nobody even knew my name

The sun hatched me out, cradle and all

On the corner of first and insaneFor the souls of the departed and the renegades of love

You and me we gotta be all we dreamed of

In the ruins of mischief through the ravages of time You got a place in this world of mineOh, no, baby don't go

Walkin' down Suicide Alley Oh, no, baby don't go Walkin' down Suicide Alley Down Suicide Alley
