Difficulty

Bi (Rain) ?

Isn't much more I can do for you
Isn't much more that I can try
Twisting myself into shapes
To stop you crying
What'll I do if I lose you?
What'll I do if I lose?
Difficulty is coming my way
Coming my way
Making my way into places
Only been seen on your darkest days
Breaking my heart to take a walk
Into your jungle
What can I do in this world for you
If difficulty is my friend?
Keeping me company when I know
I don't need it, I don't need it
You change every day
You change every day
(What can I do to make you notice?)
You change every day
You change every day
(A little more time to bring you home)
You change every day
You change every day
How can I tell you the truth
When I don't want to?
Possible days in my future
Possible ways into my past
Sewing it up nice and tightly
So I don't wonder
What if I did so much more for you
And what if I'd said so much more?
Difficulty would be a stranger

A stranger to me
You change every day
You change every day
(What can I do to make you notice?)
You change every day

You change every day
(A little more time to bring you home)
You change every day
You change every day
How can I tell you the truth?
Oh-whoa, yay-ay, oh-whoa, yay-ay
Oh-whoa, yay-ay, I'm governed by difficulty
Oh-whoa, yay-ay, oh-whoa, yay-ay
Oh-whoa, yay-ay, I'm governed by difficulty
Oh-whoa, yay-ay, oh-whoa, yay-ay
Oh-whoa, oh-whoa, oh-whoa, oh, oh, oh
You change every day
You change every day
(What can I do to make you notice?)
You change every day
You change every day
(A little more time to bring you home)
You change every day
You change every day
How can I tell you the truth
When I don't want to?
When I don't want to
When I don't want to
When I don't want to
When I don't want to
When I don't want to
When I don't want to
