Easy

Rascal Flatts

We broke up
Yeah, it's tough
Most guys would've been crushed
Wastin' their time
Wonderin' where they went wrong
No way, not me
Hey, I'm doing just fine
I'm not afraid to move onIt's easy going out on a Friday night
Easy, every time I see her out
I can smile, live it up
The way a single guy does
But what she, what she don't know
Is how hard it is to make it look so
EasyThe truth is
That I miss lyin' in those arms of his
But I don't ever let it show
I laugh and I act like
I'm having the time of my life
As far as he knowsIt's easy goin' out on a Friday night
Easy, every time I see him out
I can smile, live it up
Like a single girl does
But, what he, what he don't know
Is how hard it is to make it look so
Easy
Oh, it's easy
