

I'm Waiting Here (feat. Lykke Li)

David Lynch

I'm waiting here
Can't we draw never fulfill these here
I move nowhere only to find you here
Your deepest hell, never the same as them
Keep me low where the horizon melts
I'm waiting here
We made love
Under a dark moon
I've burned a lot of
Some castles were made of sand
Only then
Can I alone look at the sky my dear
I am right, every falling star
Make a wish, it will turn away
So we can love on til infinity
Here
I'm waiting here
Here
I'm waiting here
