

Comin Home

Trey Songz

i wish I was there more than I am, babe
These lonely nights take a toll on a man
You don't understand it
Its so unfair that Christmas is all throughout the air
And I hate that we're both alone
I'd rather be with you by the mistletoe It hurts me more than what you think it does
When nights get cold, that's when I miss your touch
The snow is falling and it won't let up
Okay, I'm on my way, hey Cause it'll be nothing without you
Christmas will be nothing without you, girl
So I'm coming home, yeah, I'm coming home
Yeah, I'm coming home to the one that I love
It'll be nothing without you
I'm ready to go, packed up and 'bout to hit the road
It may not be at the time that you want, but I'm coming, baby
A little bit longer and I'll be there before you know
So tonight, just wait up for me
Don't you dare try to go to sleep It hurts me more than what you think it does
When nights get cold, that's when I miss your touch
The snow is falling and it won't let up
Okay, I'm on my way, hey Cause it'll be nothing without you
Christmas will be nothing without you, girl
So I'm coming home, yeah, I'm coming home
Yeah, I'm coming home to the one that I love
It'll be nothing without you
So I'm coming home, yeah, I'm coming home
Yeah, I'm coming home to the one that I love
So I'm coming home, yeah, I'm coming home
Yeah, I'm coming home to the one that I love
Coming home, yeah, I'm coming home to the one that I love
Coming home, yeah, I'm coming home to the one that I love
So I'm coming home, yeah, I'm coming home to the one that I love
Coming home, yeah, I'm coming home to the one that I love, yeah As soon as I walk through the door
Baby, all that I want is to see you with nothing but a ribbon on
Let me show you how it's supposed to go
No, it ain't the north pole
Sit on daddy lap, girl, ain't no getting off
I'm sorry that I took so long, but I'm so glad that I came on
It may not have been when you want

But the love so good, you'll forget it by the end of this song Coming, coming home

Coming home

I'mma be there, I'm

Said I'm coming home, coming home

Coming home to the one that I love

Oh, baby, girl, I'm so damn glad that I'm coming home

I'mma be there, I'mma, I'mma, I'mma be there

I'm coming home, I'm coming home

Merry Christmas
