Lost In Space (Main Mix)

Lighthouse Family

Sometimes I get tired of this me first attitude
You are the one thing that keeps me smiling
That's why I'm always wishing hard for you'Cause your life shines so bright
I don't feel no solitude
You are my first star at night
I'd be lost in space without youAnd I'll never lose my faith in you
How will I ever get to heaven, if I doFeels just so fine
When we touch the sky me and you
This is my idea of heaven
Why can't it always be so goodBut it's alright, I know you're out there
Doing what you've gotta do
You are my soul satellite
I'd be lost in space without youAnd I'll never lose my faith in you
How will I ever get to heaven, if I doAnd I'll never lose my faith in you
How will I ever get to heaven, if I doAnd I'll never lose my faith in you
And I'll never lose my faith in you
