## **Flowers**

## Galaxie 500

I can never calm you down And I can never turn you around And I could never bring you flowers And I could never turn you aroundI could be there when you're sleeping I could be inside your dreams And I can be there when you're sleeping And I can be inside your dreams Oh yeah I, oh yeahStand at the kitchen sink Feeling a plastic mood Buildings have gotta change 'Cause baby, you're a lunaticI could be there when you're sleeping I could be there in your dreams And I could be there when you're sleeping And I could be inside your dreams Oh yeah I, oh yeahStand at the kitchen sink Feeling a plastic mood Buildings have gotta change 'Cause baby, you're a lunaticI could be there when you're sleeping I could be there in your dreams And I could be there when you're sleeping And I could be inside your dreams Oh yeah I, oh yeah
