Higher

Jhene Aiko

[Chorus]
I will get you higher (higher)
My love will get you high[Verse 1]
Break me down
Roll me up
Boy I can be your pipe dream
Make you feel alright do the right thing
Set my soul on fire
Let me in and I will take you way up there yea
Put it in the air,Blow me in the air[Chorus]
I will get you higher (higher)
My love will get you high[Verse 2]
Take a hit of this and then tell me how you feel
(Tell me how good it feels)
When you cant get rid of it then
That's how you know its real
I'm for real oh I willRoll it up,
Roll, roll, roll it up, roll it up
Light it up, light it up oohhh oohh oohhhh
Roll it it, roll, roll, roll it up
Smoke it up til your high[Chorus]
I will get you higher (higher)
My love will get you highNo stems, no sticks, no seeds its just you and me
On this cloud and we don't ever have to come down now
We are so faded going to places beyond the sun
Love is the drug that gets me highRoll it up,
Roll, roll, roll it up, roll it up
Light it up, light it up oohhh oohh oohhhh
Roll it it, roll, roll, roll it up
Smoke it up til your high[Chorus]
I will get you higher (higher)
My love will get you high
