Feathers

The Twilight Singers

Wherever you're going
I know you knew
That nobody cuts me
Quite like you doAnd I'm gonna crawl
Not that it matters
Nobody bleeds the way I doWherever you've gone
I can follow
The path of destruction
You leave like crumbsAnd I'm gonna crawl
I'm gonna scratch and claw
Though I am broken, I still breatheWhoever said, no wind
No rain, no conversation
Will bring you back aliveI got it bad
And I won't sleep
Until I breathe the sweet
Perfume you loveYou're gonna crawl
My precious, I'm untethered
Waving in the wind like feathersFeel you near me
Disappearing
If you take
You better kill meBreak me, steal me
If you don't kill me
I'm gonna crawl, 'til you crawlCrawl like them all
My precious, I'm untethered
Waving in the wind like feathersCrawl, my love, crawl
