

# Feathers

## The Twilight Singers

Wherever you're going  
I know you knew  
That nobody cuts me  
Quite like you do And I'm gonna crawl  
Not that it matters  
Nobody bleeds the way I do Wherever you've gone  
I can follow  
The path of destruction  
You leave like crumbs And I'm gonna crawl  
I'm gonna scratch and claw  
Though I am broken, I still breathe Whoever said, no wind  
No rain, no conversation  
Will bring you back alive I got it bad  
And I won't sleep  
Until I breathe the sweet  
Perfume you love You're gonna crawl  
My precious, I'm untethered  
Waving in the wind like feathers Feel you near me  
Disappearing  
If you take  
You better kill me Break me, steal me  
If you don't kill me  
I'm gonna crawl, 'til you crawl Crawl like them all  
My precious, I'm untethered  
Waving in the wind like feathers Crawl, my love, crawl
