Angel Of No Mercy

Collin Raye

Heaven knows where I'd be now if you had not found me
On that road that takes a man to places he's not meant to be
I wasn't ready for the touch that turned my life around
Now I'm helpless in your hands it's love that ties me down
Angel of no mercy, girl you take my breath away
And it feels so good it hurts me to think that you might fly away
Can't you see that I've surrendered, you stole this old heart blind
You're an angel of no mercy but I don't mind
Ain't it strange how love can take a heart that's hard as steel
Hold it tightly in the fire and teach that cold heart how to feel
Touch me now, I'm still not sure you're truly flesh and bone
Heaven knows you can't be from this world that I live on
Angel of no mercy, girl you take my breath away
And it feels so good it hurts me to think that you might fly away
Can't you see that I've surrendered, you stole this old heart blind
You're an angel of no mercy but I don't mind
Can't you see that I've surrendered you stole this old heart blind
You're an angel of no mercy but I don't mind
